

Alpha Xi Delta members should comply with all college, federal, state and local anti-hazing rules or laws and should uphold Alpha Xi Delta's principles through the elimination of hazing practices. Hazing is defined as any activity which subtly or flagrantly demeans, embarrasses, threatens, frightens, invites ridicule of, or draws inappropriate attention to a member, and as an attitude which implies one member is superior to another or that initiation must be earned through personal services or meaningless activities for initiated members. Disciplinary measures will be instituted by the National Council immediately upon receiving information that a chapter has engaged in hazing activities.

Any report of possible hazing will be acted upon by the Area Facilitator or Assistant Executive Director, who will call the Chapter President, indicating that all chapter activities other than chapter meetings will cease until an investigation can occur.
