

Renters Insurance Requirement Starting May 2025

As a reminder, starting May 2025, all tenants are required to carry a renters insurance policy as part of your live-in agreement.

This requirement was first communicated in the Fall of 2024 and is in your live-in agreement. Our team wanted to ensure you have ample time to anticipate any dates or other within.

Renters insurance provides valuable protection, covering personal belongings and offering liability coverage in case of unforeseen events. This policy is intended to enhance peace of mind for all residents in our community.

The NSSI college student renters insurance has broader personal contents coverage than most renters insurance providers in the country. Including but not limited to electronics, accidental damage, theft, and more.

Key Points to Remember:

- Policy Effective Date: Start of your live-in agreement
- Coverage Requirements: You can find more information here: <https://www.alphaxidelta.org/residentinsurancepackage>
- Proof of Insurance: Please submit proof of insurance to AXiDrenters@holmesmurphy.com on or before May 1, 2025 if you are providing your own coverage(s).

If you have questions, please feel free to reach out to us at AXiDrenters@holmesmurphy.com

At Holmes Murphy, we help students, and fraternal property owners manage risk.

Ready to safeguard your fraternal organization? Contact us today to learn more about our insurance solutions and how we can help you mitigate risks and protect your assets.
